COMMUNITY UPDATE

Demolition of DePaul Medical Center Begins

As Ownership and the Hourigan Team carry out the complete demolition of the DePaul Medical Center, we will prioritize respecting the surrounding neighborhood by implementing control measures for dust and other debris and safety measures to protect the surrounding community.

Demolition activities will include sorting and recycling of materials. All hazardous material abatement and disposal is being conducted by trained and certified professionals in strict accordance with local, state, and federal regulations.

Demolition to Begin: 08/26/24

Estimated Completion: Fall 2025

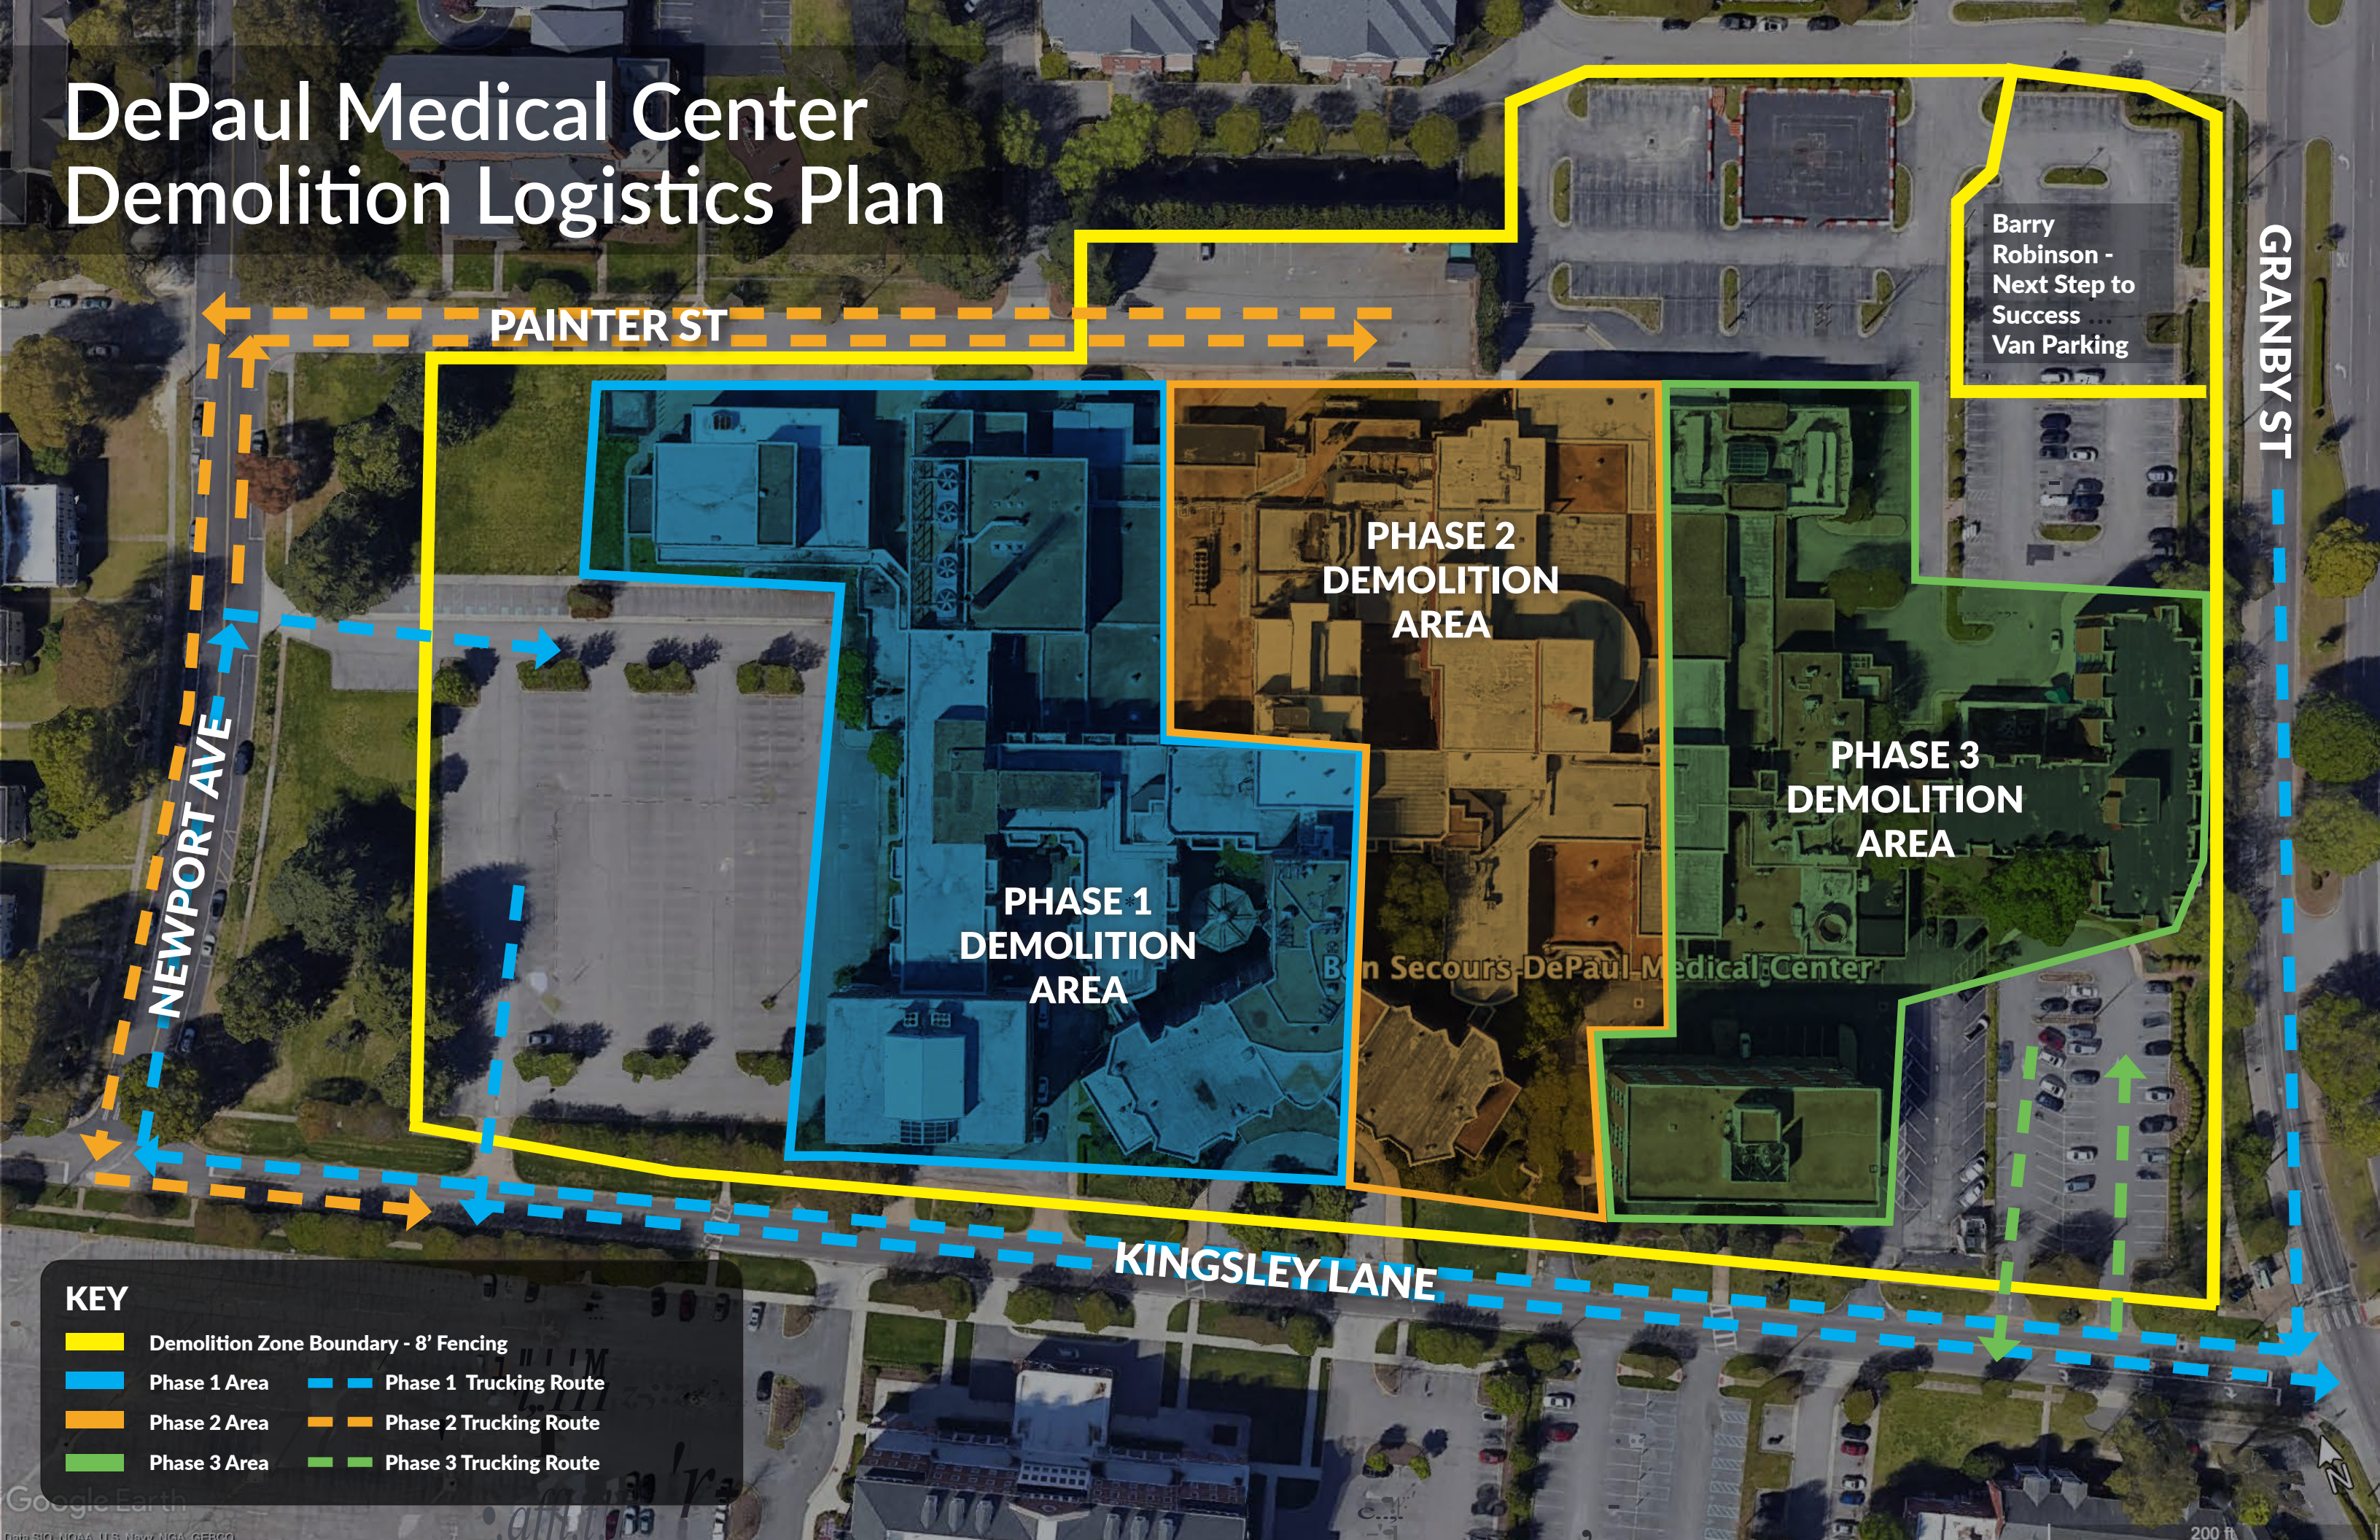

Typical Hours:
7:30am-5:00pm
